

# Learning Overview

## Reading, Writing, Spelling & Grammar

In English, we will be focusing on persuasive writing this half term and learning how to use fronted adverbials and subordinate openers to help us to structure our writing.

We will also be creating our own refugee narrative based on the book, 'The Journey'. We will be continuing to learn about and implement expanded noun phrases, varied nouns and apostrophes to show possession to help us.

## RE

The Church is our topic this half term. We hope to further develop children's knowledge and understanding of sacred places of worship across world faiths.

## Art

We are creating sculptures this half term using a material called Modroc. Our theme is a sculptural feast.

## Computing

Junior Jam

## PSHE

Relationships is our topic in PSHE this time. We will be thinking about how we relate to others in our community.

## Music

Junior Jam

## Maths- Fluency, Reasoning & Problem Solving

In maths, we will be continuing our work on 2D shape (including learning about different types of triangles and quadrilaterals) before moving on to learn about position and direction, area, statistics and measures. We will also be completing daily times table work in class – please encourage your child to use Times Table Rockstars at home.

## Science

We will be learning about living things and their habitats. In this topic we will explore classification and grouping of living things.

We are going to investigate how environments change and the danger this poses to living things.

Geography- Our local Area

We will be exploring the question: How has our local area developed over time?
